FARMHOUSE GRILL™

## MARKET

Many stories about the “good old days” are just misguided nostalgia. It certainly wasn’t “good” to try to stay warm around a pot-bellied stove with February winds whistling thru the cracks. Remember priming the pump every time you wanted a drink of water and chopping cords and cords of wood, only to have it burn up faster than you could chop? But one thing about the “good old days” slipped away when no one was looking: the smell of apple pies and the hot breads steaming from the oven, bowls of soup that warmed you to the toes, fresh vegetables an hour from the fields, and fruits right off the tree. Remember how every meal was a treat?

We remember at the Applewood Farmhouse Grill.

**Complimentary Single Serving of Apple Cinnamon Muffins, Applewoods Apple Fritters™, Homemade Apple Butter and Applewood Julep™ served with every meal!**
